

**RA-421 ENG****Assessment of foreign professional qualifications**

Implementation further to section 10 of the scheme for construction equipment operators

This document describes the procedure for assessing foreign professional qualifications.

A person (hereafter: applicant) who wants to have their professional competences assessed by TCVT RA in accordance with the Act on the Recognition of EU Professional Qualifications (Wet Erkenning EU-beroepskwalificaties) shall, in accordance with the Act on the Recognition of EU Professional Qualifications, the Working Conditions Decree (Arbeidsomstandighedenbesluit) and the Working Conditions Order (Arbeidsomstandighedenregeling), submit the documents listed below to TCVT RA.

For the assessment to start the applicant shall transfer an amount of EUR 500 plus applicable VAT/BTW to TCVT RA.

Within 8 weeks of the submission of the request **and** the submission of translations of the relevant documents into the Dutch language by a sworn translator recognised by the Dutch state TCVT RA shall decide on the request for assessment.

The applicant shall submit the following documents to TCVT RA:

- documents confirming the nationality and residency of the applicant;
- a certified copy of a training qualification or certificate of competence obtained in a relevant state, which the applicant refers to,
- evidence of professional experience which demonstrates the duration, elements and scope of the professional activities of the applicant.

Please send this documents to: paul@tcvt-ra.nl

If the applicant is not eligible for TCVT RA registration on the basis of the above documents then the applicant may opt to undertake an aptitude test.

The aptitude test shall include a theoretical test and a practical test, which can be taken in the Dutch, German, English or French language. The full costs of the aptitude test shall be borne by the applicant.
